### OLYMPIA BEER

Is an exhilarating non-injurious beverage. Taken in moderation its medicinal properties tend to regulate and keep the system in good, working order. The brewery is situated at Olympia, Washington State, in proximity to the far famed Tum Falls, the water of which contains several important special qualities necessary to the manufacture of wholesome beer. Larry H. Dee of the Hoffman Bar, corner Hotel and Nuuanu streets, has the sole retail agency for the OLYMPIA BEER and would be glad to have the public call and pass judgement.

A large number of the through passengers in the Doric went out to the Waikiki Annex for a sea bath and canoe ride yesterday afternoon. They had an excellent time. This morning, the same party went to the fishmarket to see some Hawaiian fish but they were disappointed as there were but a very few to be seen.

Enforces the Regulation.

Richard Ivers, Collector General of Customs, issued orders yesterday morning ordering the Port Surveyor to instruct all his men to search all personal baggage of people arriving in foreign steamers, irrespective of the owners. This of course is a rule that has always been in force, but the Custom House Inspectors have been allowed to use their discretion. Now it has become a hard and fast rule and everyone's baggage must be overhauled and "O. K'd" before it can pass through the gate.
